

HIGHTAIL

SET UP YOUR FREE HIGHTAIL ACCOUNT

Go to www.hightail.com. On the homepage, click on "Pricing" at the upper left-hand corner. Do not sign up for the free plan. Chose the "Lite Plan" (this is also free).

The email you use here is the email we will use to direct your uploads into the HIPPA secure cloud for you. You can use your own email through HighTail. Your normal email alone (not through HighTail) will not be able to receive such a large file and is not HIPPA compliant. Our email for our digital department is digital@olyortholab.com.

Send us your HighTail email and we will send you a free exe. file of 3Shape Ortho Viewer back.

Olympic is an iTero connectivity lab, meaning that you can have our lab added to your dropdown menu, so that you can send your scan directly to the lab from your intraoral scanner.
